

## REMEDIES – NOVEMBER 2011

### MAIN POLYCHRESTS ON PAGE 230/231 – APPEARANCE AND CIRCUMSTANCE

The following remedies have been categorised into:

- Confirmed \*\*\*
- Good results - yet to be confirmed \*\*
- Researched but either not used constitutionally or only with one case \*

Some remedies are noted in more than one miasm – they could belong to either but will only belong to one - waiting on cases to confirm.

Some remedies have been downgraded in their star rating as no further cases have been verified.
